The 1st Lap of the New Year 2024

Starting the new year on a positive note and maintaining the momentum throughout is a great way to set yourself up for success. Here are some tips to help you with your 1st lap.

1. Reflecting on the past year, making necessary changes, and taking time to renew your mind by nurturing your spiritual and physical health.
2. Feed your Spirit, Soul, and body with spiritual food (Prayer/Devotion) and natural food.
3. Create a routine that will accomplish steps 1 and 2.
4. Take time to **R.E.S.T.** (Really Experience Spiritual Transformation).
5. Surround yourself with those who love you, who will pray with you & for you.
6. Take opportunities to laugh and love more.
7. Don't focus on missteps or the past but instead thank God for where He has you right now.
8. Be open to hear (*with your heart*) what the Holy Spirit is saying to you.
9. Set clear and achievable goals that ministers to the whole you.
10. Believe in the finished works of Jesus and stay in His presence.

Staying Financially Fit

By Pastor Gloria Glover

Proverbs 3:5 tells us to **TRUST in the Lord...** we all have a moral and spiritual obligation to do what is right and to take care of what God has given us: our physical body (to keep it clean & healthy); Our mind (to renew it daily with the knowledge of God's will); and to our Spirit (to nurture our inner man). When we trust our Heavenly Father to weigh in on ALL our decisions, especially the financial decisions, the results are always good - for ourselves, our family, and for the church. Giving back to the Lord by way of our time, talent, and treasures should always be celebrated! God loves us and we should be excited to participate in loving and trusting Him with our finances, by giving a tithe and/or an offering. This is called: **Grace Giving**. Giving and receiving has always been a part of God's successful plan for our lives and the same holds true with trusting in and relying on Him for everything! We are only managers of the resources our father provides (Stewardship) for us. Now is the time to show Him that He can **trust us** with money.
