Love is the "Secret Sauce"

We all know that when we decide that it's time for a change, every part of us (spirit, soul, & body) must line up. The first article of our 1st quarter newsletter of the year was entitled: "The 1st Lap of the Year 2024". This article revealed 10 tips to help assist you in making your year greater than the last. Of the 10 steps I kept focusing on steps 4 and 5:

4. Take time to R.E.S.T. (Really Experience Spiritual Transformation).

5. Surround yourself with those who love you, who will pray with you and for you.

These two tips can only be accomplished by allowing the Holy Spirit to minister to you through God's Love and Grace. One of my favorite scriptures is Romans 12:1-2, ... "Do not be conformed to this world but be transformed by the renewal of your mind". When you begin to understand just how much God really loves you, you will be able to apply the "Secret Sauce" of Love to every area of your life.

Financial Literacy Month - April 2024

Since 2003, April has been designated by US Legislators as National Financial Literacy Month

Mastering financial literacy means acquiring the knowledge and skills needed to manage personal finances effectively. It's about setting achievable financial goals and charting a course towards them. This April, seize the opportunity that Financial Literacy Month presents to embark on a journey of financial empowerment. Let it be the month you commit to enhancing your financial literacy, for the benefit of both you and your loved ones, and your church, paving the way for a future brimming with financial stability and success. Jump start the month of April by taking stock of your financial skills including personal financial management in the world through budgeting, savings, as well as financial management in the kingdom of God through giving.

This month we will explore Stewardship through the word of God, starting with 1st Peter 4:7-11. (the 3 T's – Time, Talents, and Treasure). Peter encourages us that it is God who provides the gift, the grace, and the goal of serving others. In addition, Read Matthew 25:14-30, Mark 12:41-44, 1 Corinthians 14:12, 2 Corinthians 9:6-8, and Matthew 6:21.

JUNETEENTH FREEDOM DAY

Juneteenth marks the day when federal troops arrived in Galveston, Texas in 1865 to take control of the state and ensure that all enslaved people be freed. The troops' arrival came a full two and a half years after the signing of the Emancipation Proclamation. **Juneteenth honors the end to slavery in the United States** and is considered the longest-running African American holiday.
